

# Moving North Conference

12 April 2018 • Manchester

Reducing transport emissions in the 'Northern Powerhouse' and the business opportunities from the low carbon shift

LowCVP's 2018 **Moving North Conference** will open with a keynote address by the Mayor of Greater Manchester, **Andy Burnham**. The event will focus on the challenge of cutting carbon emissions and air pollution and seizing the business opportunities for automotive and fuel supply companies in the 'Northern Powerhouse' that are being stimulated by the low carbon shift.

Keynote Speaker  
Rt Hon Andy Burnham,  
Mayor of Greater  
Manchester
