Accelerating Transport to Zero Emissions

EV Battery Recycling

Automotive LCA Webinar Series

23rd March 2022, 10:30-12:00

Today's Speakers

Role of critical minerals in clean energy transitions	Amrita Dasgupta, International Energy Agency
International outlook in lithium battery recycling	Hans Eric Melin, Circular Energy Storage
UK's biggest opportunity from battery waste	Bhavik Shah, Advanced Propulsion Centre
Developing UK battery recycling infrastructure	Alexander Thompson, European Metal Recycling Ltd

Session chair: Gloria Esposito, Head of Sustainability, Zemo Partnership

Introduction to Zemo Partnership

A unique cross sector collaboration of 250 organisations focused on accelerating road transport decarbonization

Formerly the Low Carbon Vehicle Partnership

We work with our members to help deliver UK Government's net zero policy ambitions

Thank you
